## Become a Friend

Founded in 2000, the Parliament Choir unites over 120 MPs, peers and staff from the Palace of Westminster through the common love of singing. Joining together from across the political spectrum, there are just four parties: soprano, alto, tenor and bass.

Every year, our Friends make a vital contribution to the life and work of the choir, through its public performances in some of the country's most spectacular and iconic buildings, to its work championing emerging musical talent.

In return they are sincerely valued, with opportunities to share in the life and work of the choir in Westminster and beyond.

If you share the choir's belief in the unifying power of song, we warmly invite you to become a Friend. Each level offers opportunities to get involved in the life of the choir, and as a registered charity, your support will make a significant difference to the choir and the young artists it supports:
